"To whom it may concern - Re: Boogie Express

Boogie Express recently played on our New Years Eve cruise to St Malo in France. We cannot recommend the band highly enough. We've just received the ship review and it is outstanding in all areas. Before and throughout the gig we found the band to be of highest standards and attitude. Due to the great success of the cruise our client has confirmed next years immediately.

Thank you to all the band for two fantastic nights.

Yours sincerely,

Simon Skinner

"Janet,

Apologies for the delay in getting back to you.

Sarah-Jane and myself were both really impressed with your band at our wedding on 16th September. The choice of music appealed accross the generations with 8 & 10 year olds dancing at the same time as their 81 year old great grandmother. Indeed several people were seen on that dance floor who no one could ever remember dancing before.

Thanks for making our wedding reception exactly what we wanted it to be - a great party!

Thanks

Matt and Sarah-Jane Dugdale"

"Dear Janet,

We've had nothing but favourable comments with regard to the band (i.e. you) from our function at BFC – everyone enjoyed the night, and the dance floor was continually full which is always a good sign !!

We found you all easy to deal with and very professional on the night. The seamless transition from live band to disco was an added bonus. I'd have no hesitation in recommending you to anyone needing a classy live band.

Kind regards,

Lara Oddie, Parkhill PA"

"Hi Janet,

Sorry it has taken so long to get back to you.

I just wanted to say how amazing Boogie Express were, everyone was commenting about yourselves on the night and still people are talking about the wedding and how good band you were. I cannot thank you enough for really making our evening a fantastic success -the atmosphere was amazing! I know a few people have asked for your email address so hopefully you should hear form them soon.

Thanks again and hope to see you again in the future

Leanne and Ian xx"

"Your band is perfect for weddings - absolutely superb. I will recommend you!" Cliff Stocker, Barnoldswick, Lancashire.

"Scott, You beat me to it. Thanks again for playing - it was a fantastic night, Boogie Express were excellent and people had a great time. A number complimented on how you were the best band we have had. We usually have a do in mid June each year. If we can come to a similar arrangement in future I'd be interested in having you back - although I do appreciate that we got a great deal! Thanks again, and all the best Steve." ...Steve Potter, Ripon, Yorkshire.

"I had my reservations about whether you'd be too loud and 'big' in the ballroom, but I was very impressed by the way you managed to keep things under control. I've not had one negative comment but lots of positive ones. Even the older guests enjoyed your music. Thank you so much" ...John Livesey, Cambridge.

"I'm so glad I got to thank you at the end of last night's party. I couldn't have asked for more what a great night's entertainment. We will certainly be using you for next year's party, as well as our summer do in July. Thanks again..." ...Dave Cranbrook, Blackpool.
